

CHALLENGE 3: GREEN FINGERS

“The world is beautiful, if you look in the right places.”

DO

Observe a plant growing in your house or garden. Record the changes each week by making notes, sketches or taking photos.

THINK

What dramatic changes did you see? What about the subtle changes that you wouldn't normally notice?

SHARE

your work with others by telling them about your observations. You may inspire them to pay more attention to nature too.
